That Stinks!

Luke 13: 1-9

Holy things help us understand who God is and help us to see His invisible nature and character. To treat them as common or less than holy is the same as treating God as less than holy. There are some things in this world that are not meant to be together. There are also some things that God's people are to be set apart from. And then there are those things that don't seem to belong together, but they do.

- Throughout the Scriptures, God warns against _____ the _____.
- We tend to look at our own _____ instead of the _____ of God.
- Some things that _____ can bring us _____ to Jesus.
